

## Ideation Phase

### Empathize & Discover

Date	12 September 2023
Team ID	Team-591164
Project Name	International Debt Statistics
Maximum Marks	4 Marks

## Empathy Map Canvas:

An empathy map is a sample , easy-to-digest visual that captures knowledge about a user's behaviours and attitudes.

It is a useful tool to helps teams better understand their users.

Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.
